Dear Examiner Gilbert:

In response to the Office Action mailed on June 29, 2004, please find enclosed the three FeRx patents you requested which were submitted 8-12-2003 with the parent case. A photocopy of the Information Disclosure Citation from that submittal and a photocopy of the postcard from the Patent Office acknowledging receipt are also included. For your convenience we are forwarding copies of the three FeRx patents. This is not an information disclosure, however, because as noted these patents were submitted in the parent case. Also enclosed is the terminal disclaimer to obviate a double patenting rejection over a prior patent.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Timothy E. Siegel", written over a horizontal line.
